

GS MYERS 2000

Dear Bob,

On behalf of all the children and staff at Rivington, I'd like to say a huge 'Thank You' for giving up so much of your time to the Samuel Oldknow phenomenon that has intrigued us all the last few months. We look forward to future events we can share together.

Wesley Roberts

# Samuel Oldknow Poem

He was born in 1756,  
My Nanny wasn't even 6.  
He died in 1828,  
Eventhough he was great.  
His father died at 24,  
So don't go knocking on his door.  
Samuel would be 247 if he lived today,  
So hip, hip hooray for Samuel Oldknow Day.

Dear Saman old know

Thank you for coming to our school

I really enjoyed it. You had very very posh clothes.  
The best thing was melon mill i really enjoyed that  
bit. one day i will visit melon mill.

Yours sincerely

Dear Samuel Oldknow

Thank you for coming to our school. You told us everything we needed to know. It was very interesting. My favourite part of the day was the photo. I hope we can do it again

Yours Sincerely

Ruby Sweeney.

Dear Samuel Old know

Thank you for coming to our school and telling us so many interesting facts about yourself. We all enjoyed it very much. Thank you for dressing up and making an effort. We really appreciate it.

Yours Sincerely,

Alex

Dear Samuel

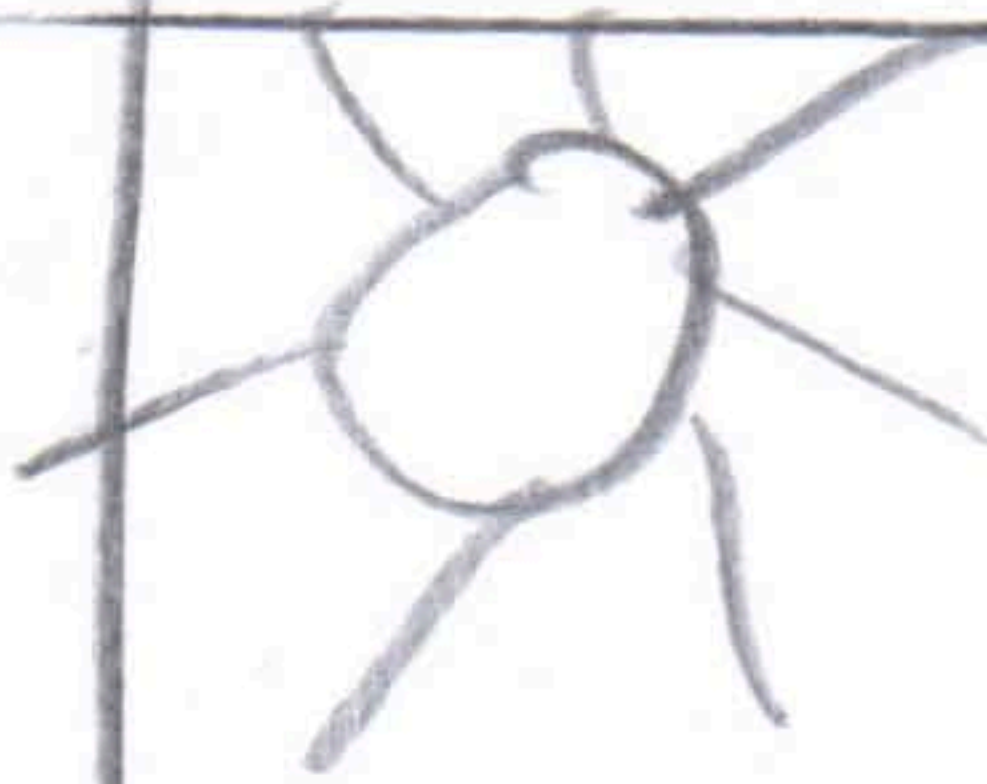

27.1.2014

I thank you for coming to our school  
and I hope you had a nice time at our school.

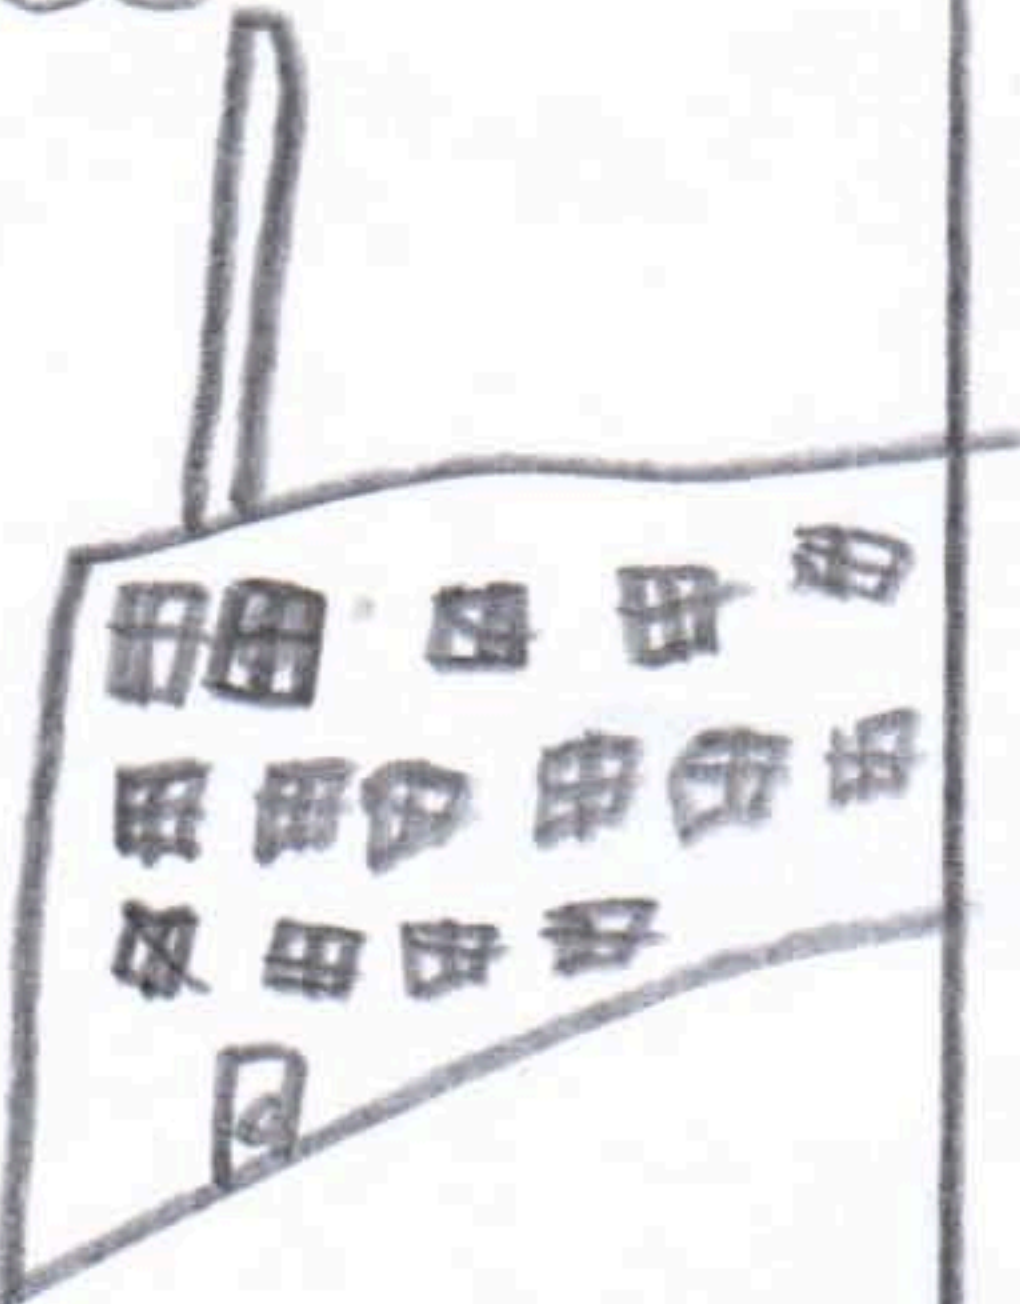

Sage Toumay

Thank you

Friday 31<sup>st</sup> January

Dear Samuel Oldknow,

Thank you for visiting your old school.

I hope you enjoyed it as much as I did

My favorite part was where we all threw  
our hats in the air for the photograph.

It was really fun and we all enjoyed it!

I hope you can come soon.

From

Oliver

Hand-drawn diagram of a scroll with columns of text. The scroll is divided into four vertical sections. The leftmost section contains a few lines of text. The second section contains several lines of text. The third section contains a grid of text arranged in four rows and eight columns. The rightmost section contains a few lines of text. A small figure is drawn above the scroll, and a path leads from the scroll towards the right.

Small hand-drawn diagram of a scroll with text, located in the lower right area of the page.
